

# Lunch and Learn

A time to connect and develop solutions together!

**Mower  
Refreshed**  
Making healthy choices a priority

## Save the Date – Wednesday, October 17, 2018

*Up in Smoke: Protecting our kids from the lure of tobacco and nicotine marketing*

**Date:** Wednesday, October 17 **Time:** Noon to 1 p.m.

**Location:** Riverland Community College-Austin Campus, West Building | RM #A237 |

Parking is available in the North parking lot.

Tobacco companies have earned a reputation for their stealth tactics to expose kids to tobacco and vaping products. Protecting our youth has never been more difficult. Attend the October Lunch-n-Learn to hear about the hidden dangers of nicotine use and learn how easy it is for kids to access and conceal tobacco and vaping products. This presentation is appropriate for parents, educators, those who work with youth and community members.

Presenter Information:

Chris Weis, Mower County Community Health Specialist

Bill Spitzer, Austin Positive Action Coalition (APAC) coordinator

## REGISTRATION REQUIRED

*This event is free and open to the public. One continuing education credit is available for a \$5 fee.*
